

AGILITY REACHES \$10 BILLION IN ASSETS UNDER MANAGEMENT

Denver, December 31, 2019 – Agility is pleased to announce that the total assets under management (“AUM”) now exceed \$10 billion.

“We are proud to have reached this significant milestone in the growth of our firm” said Chris Bittman, Partner, CEO and CIO of Agility, “and we are extremely grateful to our clients for their loyalty and support. We started Agility for the sole purpose of providing outsourced CIO services with the goal of long-term growth and protection of our clients’ assets, and we remain committed to that mission today.”

About Agility

Agility is a leading provider of bespoke outsourced investment solutions. With over \$10.0 billion in assets under managementⁱ, Agility works with a diverse, global client base, including endowments, foundations, family offices, and other long-term investors. Since 2007, Agility has specialized in creating investment programs tailored to the specific needs of clients that address complex challenges and seek to meet individual investment objectives.
