

Agility

Firm Fact Sheet // 3Q 2020

Long-term vision.
Daily oversight.

/ OVERVIEW

Agility has provided Outsourced CIO services to a select group of endowments, foundations, and family offices since inception in 2007. Led by six partners with over 140 years of collective experience, our team works closely with a limited number of clients to develop and execute customized investment solutions. By providing the dedicated resources, expertise, and daily oversight that prudent management of long-term assets demands, we strive to make each client feel as if it has its own in-house investment team.

/ PHILOSOPHY

We founded Agility on a few simple ideas that remain the core tenets of our investment philosophy today: collaborative decision-making; multi-manager, multi-asset class portfolio construction; customized asset allocation; and rigorous due diligence on each investment. These ideas form the basis of our approach to everything we do – from manager selection and portfolio construction to operational due diligence and risk management.

/ WHY AGILITY?

/ CAPABILITIES

- › Multi-asset class portfolio solutions that leverage top managers globally.
- › Customized solutions tailored to each client's unique situation.
- › Specialty mandates in areas such as ESG, impact and sustainable investing.

The Outsourced CIO of the Year Award (the "Award") is not indicative of Perella Weinberg Partners Agility's future performance nor is it representative of any one client's experience with Agility. *Foundation & Endowment Intelligence* is an Institutional Investor publication covering non-profit investment opportunities and the non-profit sector. Following a public call for nominations, the editorial staff of Institutional Investor magazine selects award nominees based on how strongly candidates, both those put forward via the call for nominations, and those independently identified by the editorial staff, meet the criteria for their respective categories. Once the nominees are publicly announced, the magazine group then conducts a wide survey of U.S. institutional investors and invites them to vote for the manager nominees. Hedge fund managers are also invited to vote for the investor nominees. Institutional Investor's editorial staff analyzes the results of the voting to determine the winners, who are announced at the annual awards dinner and ceremony. *Foundation & Endowment Intelligence*, published by Institutional Investor, covers non-profit investment opportunities and the non-profit sector. Neither Perella Weinberg Partners nor Agility has any affiliation with Institutional Investor, *Foundation & Endowment Intelligence* nor any persons who select the award. Neither Perella Weinberg Partners nor Agility paid any fees to be considered for this award.
